

Junior / Middleweight Frontend Developer

Basic requirements:

1. Please build the following homepage layout using HTML, CSS, and JS where appropriate
2. You must use Twitter Bootstrap as a basis (www.getbootstrap.com)
3. Your layout must respond appropriately for mobile, tablet, and desktop devices

Want to impress us?

Complete any of the following tasks to make your application stand out (optional):

1. Try and impress us by adding appropriate animations/user interactions to your layout for extra polish
2. Convert the top banner block into an animated slideshow plugin of your choice – must be responsive!
3. Using javascript, hook up the text “You have selected X checkboxes” so that it dynamically updates whenever a user selects/unselects a checkbox
4. Embed a Google map in the “Contact” tab with a marker over the Spindogs office
